

VELVETSHEEN

- 10 Year Guarantee.
- Manufactured from 100% pure acrylic binders.
- Excellent stain resistance and cleaning.
- Easy application through use of brush, roller or spray gun and dries quickly; two coats can be applied in one day.
- The product does not yellow as traditional High Gloss and Eggshell Enamel.
- Through its high pigmentation it has exceptional coating capacity, which results in saving on labour and material.
- It yields a luxurious coating with a beautiful Velvet appearance.
- The product is water-based, therefore cleaning of equipment performed at low cost.
- Excellent flow and leveling properties.
- Impa Mouldtech™ antibacterial, fungal and algae protection.
- Low VOC.
